Our Impact

The day-to day work of caring for the children may seem simple, but when you add up all that we do in one week or one year, you can see it is no small task and it truly takes a village to make it all happen. Will you help?

Providing a home for 50 children

A safe, warm place to sleep and play for 42 kids
3 infants/toddlers and 5 young women.

Donations impact the children

100%

100% of all money donated goes to the care of the children.

950 Plates of Food per week

Keeping the children happy & healthy with 3 meals a day, takes a lot of food and dishes. All the food is prepared in our home and the kids help.

150 Pairs of New Shoes per year

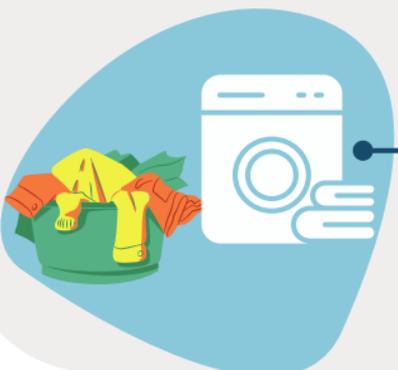

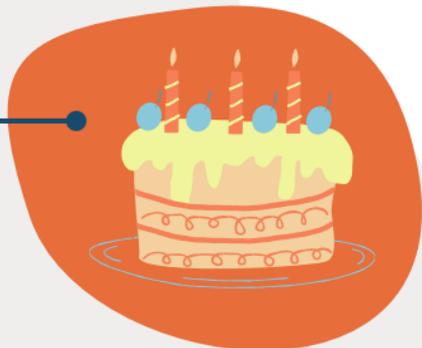

We provide more than 150 pairs of new shoes to our children every year. School shoes, play shoes, work shoes, it's a lot of feet. Imagine all the socks.

Fundación Casa de Fe

Provides employment to 36 local Ecuadorians

Happy Birthday x 50

We host a birthday party every month for the staff & kids born in that month. Gifts, special cakes, & all the party supplies. At age 15 every girls gets a very special Quinceanera.

105 Loads of Laundry

To provide clean clothes for the children we do more than 105 loads of laundry per week. That's a lot of soap!

Our Impact

At Casa de Fe it's more than laundry and dishes. We are healing broken hearts, literally and figuratively. We advocate for our children, we help those dealing with trauma and provide consistent loving care. It's hard emotional work with a great reward.

350 nightly prayers per week

Our Tia's or caregivers help the children with nightly bible study and prayers. Teaching them to rely on God's promises, when they need it most.

Children are adopted or reunified

We advocate for all our children to have a permanent family, either biological or adopted.

60%

35%

Percent of children who require care for a lifetime

Due to special medical needs or physical or mental disabilities these children will remain with us for life.

3 life-saving surgeries this year

We provide regular doctor visits and vital surgeries for medical conditions for our children.

Fundación Casa de Fe

Our Tia's work 9 days in a row for 24-hour shifts. 8 tias at time, come live on-site and care for the children then return to their own families.

Hosting Volunteer Teams

We host 12 volunteer teams per year. These volunteers bring supplies, work ethic and compassion. They leave with their hearts bursting with love.

500 Total Kids Served

And counting! In our 15 years we have served more than 500 beautiful Ecuadorian children. This important work needs to continue. Can you help?
