## Our Work

The Bible calls us to care for orphans. To answer that heart-wrenching call, Fundación Casa de Fe was formed in 2005. We provide a loving, nurturing environment for neglected, abused, and abandoned children on the outskirts of the Amazon rainforest. In God's name we love them, serve them, and provide for them from birth to adulthood in two separate homes in Shell, Ecuador.

### CASA DE FE

*"House of Faith"*

Our home for young children. From birth to teens, we provide daily meals, clothing, education, healthcare, and the love of a family, all while inspiring a reliance on God through daily devotionals even at young age.

### CASA DE LOS SUEÑOS

*"House of Dreams"*

As the children grow into young adults, their needs change. At Casa de los Sueños, our young women learn the skills they need to thrive in society. Along with educational opportunities, we have a variety of vocational programs that are available to the older girls.
